THE HON. CLIFFORD SIFTON.

Mr. Flood Davis has of late been addressing the electors in Western Ontario, and in dealing with questions he has not been in any way moderate in his denunciations of certain public men, whom he describes as rolling in wealth and living like nabobs, who but a few years ago were moderate in their means. His particular target has been the Minister of the Interior, the Hon. Clifford Sifton.

Some four months ago, instead of attending to his duties in Parliament, where numerous questions relating to the administration of his department had to be answered. This gentleman has been described as coming to Ottawa but a few years ago, from Winnipeg, where he had to compromise with creditors, and with the tax gatherer.

At such attacks upon public men the Toronto Globe affects a good deal of virtuous indignation. Under its diurnal columns the Globe's horror of personal allusions to public men would not only be right, but justifiable. In the present case, similar charges and attacks were made in debate in the House of Commons without reply or denial; it is therefore no wonder that many are expressing their astonishment at the way such things can be done, out of the presence of a Minister receives for services rendered to his country. Even the "Canadian Independence" a paper published in the town which Mr. Sifton calls his home concludes an editorial article in the following language:

"We shall have him (Mr. Sifton) back here soon, telling us how happy he is to be again at Sifton. After his profligate wanderings in foreign lands, and that, though he has roamed through pleasures and saloons, there's no place like home, but it would be interesting were some one to enquire the source of his sudden affluence, and how it came about that, though he had to compromise for a time, he could suddenly blossom out in Ottawa as a leader of the fashion and display and have one of the most expensive households in an expensive Ministry. Where came the money?"

A very pertinent question is that "Where came the money?" which under ordinary circumstances it would be impertinent to enquire. Then we have the Minister of the Interior, Mr. Tarte, who was told in the Commons by the hon. member, that he (Tarte) had declared he was not worth 25 cents before entering the Cabinet, managing a short time after entering the Government to secure a \$60,000 pensioner plant, just at the time of the Drummond County Railway deal, through his party friends of course, and now able to live abroad two-thirds of his time, at the present time, no doubt, at the expense of the Paris Exposition fund.

The Auditor-General's Report for the next two years will be interesting reading, particularly to such men as J. J. McMillan, M. P.

It is evident some people are setting upon the principles of "going it when they are young" in office, for when they are a little older they will not have a chance!

Water Commissioners Want Aid in Extending the System—Hydrant Rental Considered Excessive.

At the City Council meeting last evening, the following members were present: Ald. Bogart, acting Mayor; Ald. Chown, Sinclair, North, Clarke, Harris, Porter, McKee, and Grills.

Although the business transacted was not of a very important nature, the session was somewhat prolonged.

Public Works.
Ald. Harris, chairman, presided over the meeting, when the following accounts were presented:

The following accounts were ordered to be paid:
Public Works, \$31.40
Water Commissioners, \$31.40
Total, \$62.80

The Street Surveyor presented a report showing that \$107.50 was due to the City for the balance of the track on Mill street.

The Surveyor said that he had ascertained that the adjoining quarry, supposed to belong to the bank of Montreal, did in reality belong to Mr. Cummings, Toronto.

On motion the City Clerk was instructed to write Mr. Cummings to ascertain what he would take for the lot.

A communication was read from Messrs. J. A. Mackie and J. D. Collip, asking for a gratuity while in the city for the past year.

This was referred for the purpose of getting the necessary signatures to have the walk built.

On motion Mr. J. W. Walker was given the contract for supplying sand for the holes in the centre of the lot and used by the City. The Walker Foundry was given the contract for work.

The police were requested to see the owner of the vacant property on Campbell street and have the weeds cut as usual.

Mr. John Weir was heard in reference to street watering. He said he had, upon certain days, watered the driveway to his house.

The Street Surveyor suggested that some of the holes in the centre of the lot be plugged up with sand and gravel.

Look after the lights and report them when out.

Ald. Stirling said one reason why many were out was owing to the lamps being old.

A Contented WOMAN

Isn't contented simply because

she uses SURPRISE Soap;

but the use of this soap con-

tributes largely to her content-

ment. In proportion to its cost,

it's the largest factor in house-

hold happiness.

It is pure, lasting and effec-

tive; it removes the dirt quickly

and thoroughly without boil-

ing or hard rubbing.

SURPRISE is a pure hard Soap.

Now is the Time

To have your children's eyes examined
before school opens. Many a
pupil is not making proper progress
through being handicapped by defective
vision, as well as enduring
much headache and other distressing
conditions. Under such conditions there is no inclination
to study, and if study is indulged in
it is punishment.
When such facilities as our optical
department are at your disposal, neglect
in this matter is almost criminal.

OTTAWA ELECTION RUMOUR

In the Capital To-day They Say the
Contest will be on in September.

OTTAWA, Aug. 8.—There is a rumour
here to-day that the general elections
will be fixed for next month, the rumour
being that the Liberals are anxious to
have them over before Hugh John Macdonald can make his
return to the capital.

How James Macdonald's room in
the East Block is the centre of all
election proceedings, and there one
can find Mr. Alex. Smith, the Liberal
organiser, and members of the
Machine who are in town. Mr. Robert
Birmingham has been supplied with
an order of admittance to the building
after dark, when in town. There is
considerably increased activity in
this quarter during the past few
days.

THE HEALTH PROBLEM.

Is much simpler than is sometimes
supposed. Health depends chiefly
on perfect digestion and pure blood,
and the problem is solved very readily
by House Surgeons. You may keep
well by taking it promptly for
any stomach or blood disorder,
surround of acridities, salt rheum, eczema,
dyspepsia, rheumatism and the thousand
diseases are numbered by the thousands.

The favorite family cathartic is
Hood's Pills.

Band Programme.

The following programme will be
rendered at Victoria Park this evening—
March—"Cosmos," English
Selection—"Gems of Scotland,"

March—"Bridal Song," Cavalieri
March—"The Light Brigade," English
Selection—"Gems of Scotland,"

March—"The Favorite," English

LIVE SPORTING NEWS

BASEBALL.

The Station Team Defeat the Cities.
The attendance at the twelfth home
game match yesterday afternoon
was the largest of the season.
Despite the fact that the host was
known, the players on both teams
played hard to secure a win. In the
early part of the match the station
aggregation took a decided lead,
and maintained it until the finish.
It was a great game of ball and the
spectators, including a large number
of women, were kept in good humor.
As a result of the game the Station team
have now an equal chance with the
Cities for the possession of the coveted
trophy. A Draycott and Lang-
worthy were the batter for the Cities,
while Piles and Marks did similar
work for the victorious team. Both
pitchers played their position well, but
in the field the Stations seemed to
have an advantage. During the game
C. Thompson, 3rd base man for the
Cities sustained an injury to his right
knee in running to his right base,
and was compelled to retire. His place
was taken by G. W. Burke. At the
conclusion of the game the score was
11 to 6 in favor of the Stations, who
were not called upon to play their half
of the ninth innings.

Mr. W. Cochrane umpired the game
and his decisions were not questioned.
The players and their positions were
as follows:

Teams	Positions	Stations
Cities	Pitcher	Palme
Cities	Catcher	Mark
Cities	1st base	F. J. Young
Cities	2nd base	W. Draycott
Cities	3rd base	Symons
Cities	Short stop	B. Gissard
Cities	Right field	G. Gissard
Cities	Left field	Brown
Cities	Centre field	W. Young

Score by Innings:
1 2 3 4 5 6 7 8 9
City — 1 0 0 0 2 0 1 2 — 6
Station — 2 0 1 0 0 4 0 — 11

FISHING.

In spite of a gale from the north-
west all afternoon and evening, some
good catches were made by the eight
boats competing yesterday. W. and
H. Grand got first prize, with 12
fish, weighing 28 1/2 pounds. J. R.
Hendrickson second with 12 weighing 22
pounds. W. and H. Grand got first
prize for heaviest fish, weight 3
pounds.

All the other boats had good catches
except the veterans Mills and Temple-
ton, who had not a single fish to show as
a result of a very early start.

PRENTICE BOYS.

On Monday next, Aug. 13th, the
cities kindly put out their flags
and decorations for that day to assist
the boys in giving the city a fine
appearance. They are playing their
part; they have not asked for a civic
holiday, but want the merchants to
make all they can on that day.

FIRE LADDIES

AT THE FALLS

Hose Reel Race Won by the Trenton
Brigade.

The firemen's parade and tournament
at Niagara Falls yesterday under
the auspices of the Provincial Volun-
teers' Association, proved a
success. Thousands of visitors
arrived in the town during the
day. At 1:30 the visiting fire
brigades rounded up on the market
square and the four corners centering at
the intersection of the main street and
the river, with their gay and attractive
uniforms, paraded the streets to
view martial air of the bands. There
were ten entries in the hose reel race
which was won by the Trenton
Brigade. Time 9:30. The Niagara
Hose Reel Company were second.

WEATHER FOR COOL CLOTHING.

This is the weather when you must
be dressed cool. You simply have
no choice in the matter. The Oak
leaf and the maple leaf have costs at
\$1.25 and \$1.50. You need not suffer
so much with the heat if you will
only dress properly.

FELL OFF THE BOAT.

Charles Marshall, of Kingston, Falls
off the North King.

Hoveater, Aug. 8 (Special).—When
the steamer North King arrived at
her dock at Charlotte this morning
the passengers aboard reported that
Charles Marshall, aged 20 years,
of Kingston, accidentally fell overboard
last night, and was undoubtedly
drowned. They say the vessel
was crowded, and the accident
occurred on the way without slackening
speed.

We very much doubt the accuracy
of the last sentence of the above,
provided the efforts of the steamer were
sufficient of the fact of an accident
having taken place.

TO SAVE HER CHILD.

To save her child from frightful dis-
figurement Mrs. Nannie Gallagher,
of Kingston, Ont., applied to
Dr. J. S. McKee for relief. Her
child, a girl, was born with
a large tumor on her head, and
was in great danger of losing her
life. Dr. McKee's treatment
was successful, and the child is now
well and happy.

A Quick Passage.

The schooner "Cullin" taken with
coal, made a quick run across the lake
last night, leaving at 1 o'clock on
Tuesday, and arriving at 4 o'clock
on Wednesday afternoon.

LETTER FROM BLOEMFONTEIN

A Belleville Lady Writes an Epistle From a Young Localist Who "Got Out of the Road" to Escape Being Commandeered.

The following interesting letter, has been received by Miss L. Cunningham, of this city, and draws a vivid picture of what things must have been like in the Free State when the war broke out.

Monument Road, Bloemfontein, July 22, 1900.

My Dear Miss Cunningham, - My letter reached you last evening, for which many thanks. My brother, younger than me (I am 17 years old), myself and my sister stayed and looked after the house, while my father and mother, two brothers and four sisters left for the Cape Colony. The Dutch came to commandeer my father and mother the day after they had left Bloemfontein. I have not heard from them since. The British have been here, and we don't know where he is. He is a sister. The Boers wanted to commandeer me, but I got out of the road. We had to keep very quiet when the Boers were here. My sister kept a school here for the children. The day after the British came they made it into a hospital and my brother was one of the first to be taken in, and my sister used to go and write letters for the poor soldiers, and when some of the soldiers were well enough to walk about we visited them, and we were very kind to them. The soldiers came marching into Bloemfontein. When the Boers had taken some of the soldiers, they were moved to speak to them. They had taken some wounded prisoners, and they were too bad to travel, so they left them in the hospital here and my brother and a few friends of mine used to go and nurse up to a night and make them and give them clothing and few things to eat, and one afternoon we thought we would go to the day room, so we got our bikes and went up to them, but this time we found out and they showed us but did not catch us. Where is your brother now? Well, dear Miss Cunningham, I hope this letter will reach you safely.

Your faithful friend,

DOUGLAS GUEST.

THE CASE OF ERNEST WALLACE RE-MAINED THE NEXT FRIDAY.

The case of Ernest Wallace, who is charged with causing such terrible injury to Mr. and Mrs. Wallace, by running into him, was brought up in the Police Court this morning. The accused was not present, but was represented by his solicitor, Mr. W. A. Carson.

Mr. P. J. Anderson, County Attorney, said that, owing to the condition of the unfortunate man, the case could not be proceeded with, as at present the prisoner was only a mere shadow of his former self.

Mr. Carson said that he had been informed by the doctor that the prisoner was now a mere shadow of his former self, and that he was unable to stand.

The case was further remanded until Friday, when it will be definite proof as to the man's future condition may be known.

Both the man and the woman were present at the trial, and the County Attorney declined to accept bail.
